

WinShape Camps has several summer staff positions that can serve as internships for a variety of majors to complete a university degree. Our leadership staff are prepared to serve as supervisors for internships by completing paperwork, providing feedback, and following up with professors when necessary. Below are some of the positions we offer that could serve as an internship this summer. The Descriptions of Responsibilities vary with each camp, but these descriptions offer an overall picture of what each position does throughout a summer. Reach out to staffinfo@winshapecamps.org with further questions.
