

PICTURE ORNAMENT

SUPPLY LIST:

- Crayons
- Markers
- Colored Pencils
- Tape
- Glue
- Christmas decorations
- Candy canes, buttons, tinsel (if desired but not necessary)

INSTRUCTIONS:

1. Gather all of your supplies listed above. These are what you will be using to decorate your picture framed ornament to capture all of your favorite Christmas memories.
2. Draw and color designs on each of the blank popsicle sticks using festive Christmas colors.
3. Once the sticks are ready, ask your parent, leader, or guardian to help you hot glue them together to make a house shaped frame. (rectangle shape with a triangle on top)
4. Decorate this house for the holidays! Choose from the supplies you have to help get this house ready for Christmas. Glue on beads, buttons, candy canes, etc.
5. Then, ask your parent, leader, or guardian to print out a picture for the frame. You could even gift it to someone special!
6. Tie some string to your picture frame and hang it from a limb on the Christmas tree to be an ornament.
7. If you have extra supplies, decorate more popsicle sticks but this time create a star or a new fun shape rather than a house!
