

DAY CAMP INFO SHEET

DEAR PARENTS,

Hello from WinShape Camps for Communities! We are so excited that your camper is signed up for camp! Thank you for allowing WinShape Camps for Communities to be a part of your summer plans; we don't take that privilege lightly or for granted. I know the summer is busy and demanding, just like the school year is, so thank you for choosing to spend some time with us this summer at camp.

This year for our theme, we find ourselves immersed in The Wonder Chronicles. God's great story for the world from the beginning of time has been full of wonder, heartaches, joys, suffering, and love. We will explore God's story and find our places in it. From creation to now and tomorrow, we know all things were created for Him and by Him (Colossians 1:16,17). Join us as we embark on The Wonder Chronicles.

Our amazing and dedicated team has worked hard (and is still working hard) putting all the details of camp together – Team Time, Rec!, Skills, and so much more. We cannot wait to see you this summer, and again, thank you for entrusting your camper into our care. If you have any additional questions, please do not hesitate to contact the camp office at 1-844-WS-CAMPS (1-844-972-2677) or email us at communitiesinfo@winshapecamps.org.

Serving alongside you,

Stephen Moore
Director, WinShape Camps for Communities

LUNCH FOR CAMP

Campers should pack and bring their own lunch Monday – Thursday. Please remember to keep it nut free. At the end of the week, the whole family is invited to lunch for Friday Family Fun Day where WinShape will serve up a yummy lunch from Chick-fil-A. Just let us know how many guests are coming to Friday Family Fun Day in your camper's WinShape Account so we have plenty of food for everyone.

*At some of our locations, the local Chick-fil-A restaurant may offer an option to buy Chick-fil-A lunch or breakfast throughout the entire week for your camper. Check with your camp location for more information.

ATTIRE FOR CAMP

Campers should wear closed toe shoes, athletic clothes, and sunscreen to camp. They should also bring with them a reusable water bottle and their lunch!

FREQUENTLY ASKED QUESTIONS

Q: Am I able to check my camper out early?

A: Yes! We just ask that you do so before 4:00PM which is before their last rotation of the day. Following 4:00PM, the campers are being transitioned a lot to their various groups and it is easier on our volunteers and staff to check campers out prior to this time.

Q: Where do I need to go to check out my camper early or to drop something off during the day?

A: Follow the outdoor directional signs that should lead you to our Checkpoint desk. Here we can answer any and all questions for you and assist you with anything you may need.

Q: What all do I need to bring to check my camper out?

A: Upon arrival to Check-In on Monday morning you will be given a red and white security card. You may either bring that physical card or a picture of it with you to check out your camper.

Q: What if I have lost my security card and don't have a picture of it on my phone?

A: A WinShape Camps staffer will ask for your photo ID and will cross-reference it with your camper's registration. There is a section on the registration page that asks for who all is approved to pick up this camper. You must have some sort of photo identification in order to leave with a camper and get a new security card. We ask our staff to check this in order to ensure camper safety.

Q: What if I am not the one picking up my camper each day?

A: We trust that whoever receives that security card Monday morning will then give it only to those that they trust to pick up a camper. That person may also either have the physical security card or a picture of it on their phone.

Q: Do you all allow campers to bring peanut butter or any foods that contain nuts to camp?

A: We are a nut free camp. We share this with our church partners and with parents through pre-camp communication that for all camper's safety, we ask for no camper to be sent to camp with any food containing nuts and even peanut butter. We offer allergy friendly snack options to our campers that do have allergies in the case of foods or snack that are labeled "may contain" or "processed in a facility".

Q: Why does my child have an orange or teal lanyard/wristband?

A: In order to further ensure camper safety at WinShape, we have assigned campers with any allergies as indicated on their registration a teal wristband. Orange lanyards/wristbands mean that a parent or guardian has requested that their camper(s) photo not be taken and/ or posted on any site or social media network. Blue, red, and green lanyards mean that the camper has none of the above and correspond with the camper's age group.

Q: Do I need to send my camper with an extra change of clothes?

A: No, we do not have any designated skills or activities that will require your camper to have a change of clothes with them. However, if you are the parent or guardian of a camper that is younger in age and/or likely to have accidents, we ask that you do provide a change of clothes just in case.

Q: Where can I go if I have questions in the morning or afternoon?

A: Come by our Check-In tent in the mornings or our Check-Out tent in the afternoon. When in doubt, ask one of our staff to point you in the direction of our Camp Director that is on site or church host.

Q: My camper has lost something of theirs at camp, where can I try and find it?

A: We have a Lost and Found box at Checkpoint that you can come by and look at any time. Our staff will sweep the building every afternoon, so if it is not there at the end of the day, please come check again the following day.

Q: If I need to drop of medication for my camper where do I go?

A: Each morning we will have an onsite registered nurse at our Nurses' tent and there you can drop off any medication, fill out a quick page of paperwork for us and talk with our camp nurse. If you need to come back by later in the day or pick up the medication before heading home, you will find the nurse near our Checkpoint desk.
